

GROUP 1 HMI Activity

Lecture 7 Storyboard

Project Name: Wrong Answer on Pretest 2 (WAP2)

Project Description: To provide a competitive programming companion with performance statistics, group leaderboards and contest notifications.

Members: Soumil Sinha (B20CS071)

Ishaan Shrivastava (B20AI013)

Shrutayu Aggarwal (B20CS096)

Anirudh Srikanth (B20CS006)

Abu Shahid (B20CS003)

Storyboard 1 (Notification and Preparation)

Storyboard 2 (Post Contest Performance Statistics)

This guy is giving a contest

Contest over – he has no idea about his performance and is curious to know how it went for others.

He checks the leaderboard among his friends and analyzes his performance.

He is ecstatic about the contest and looks forward to the next one.
